

FUEL YOUR PETRO CARD EXPENDITURE INSIGHTS

A cost-effective and convenient way to quickly gain insights into fuel, vehicle parts, tollgates and vehicle service expenses.

View all your corporate travel data in a centralized, online reporting and analysis system. Our Petro-card Insights App offers an easy to use, end-to-end travel and expense management and insights solution.

Gain better insights into employee fuel spend

Quickly detect suspicious or irregular spend activity

Out-of-the-box interactive dashboards, analysis & reports.

Our Self-service Dashboards and reports include:

- ◆ Spend analysis of fuel (and other expenses) by:
time | company | department | employee | region | vehicle, etc.
- ◆ Trend analysis – identify patterns of spend over time per:
expense type | company | department | employee | region | vehicle.
- ◆ Ability to highlight anomalies such as fraud and irregular spend, etc.
- ◆ Data is refreshed as often as you require – hourly, daily, weekly, etc.
- ◆ Drill down to the detail within the dashboard.
- ◆ Customisable
