

Capitalise on your Microsoft O365 investment

Solving for COVID-19, Together.

Solution overview

MAINTAIN PRODUCTIVITY DURING SOCIAL DISTANCING

Microsoft Teams enables your team to work from anywhere with access to:

Online meetings

Secure chat with team members

Track team tasks

Share and collaborate on documents

WE CARE ABOUT YOUR WORKFORCE AND YOUR BOTTOM LINE

Get in touch with us to find out how we can assist your organization to work remotely through using the apps available in O365.

We offer 3 different enablement plans that cater for quick set up to a full roll-out plan.

Mini Enablement

Focus on:

- Navigating Teams
- Basic Teams Governance
- Chat
- Meetings

Standard Enablement

Focus on:

- Navigating Teams
- Basic Teams Governance
- Chat
- Meetings with added capability such as Whiteboard
- File collaboration

Full Enablement

Focus on:

- Navigating Teams
- Basic Teams Governance
- Chat
- Meetings with added capability such as Whiteboard
- File collaboration (SharePoint and OneDrive)
- Additional O365 Apps

Leverage Microsoft Teams for FREE for 6 months to better ensure the health and safety of your team.
